OUR HISTORY

The Shepherd's Staff was founded in 1991, as a non-denominational faith-based organization. Its mission is to provide short-term aid for those in crisis and promote long-term self-sufficiency.

The Shepherd's Staff is a private non-profit 501c[3] organization that is supported by churches, organizations, businesses, schools, and individuals through financial contributions, in-kind donations, volunteerism, small grants and its own fund-raising efforts.
